## BOARD MEETING MINUTES

---

Meeting Date: Monday: July 19, 2021  
Minutes of: Regular Meeting of the Board of Commissioners  
Meeting Place: KVH Family Medicine Clinic, Cle Elum, WA  
Minutes Submitted By: Scott Olander, Treasurer

### **Call to Order:**

Regular Meeting: Call to order made by Commissioner Rogalski at 6:30 p.m.

### **Introductions:**

Commissioners: Hartwig Vatheuer, Carrie Youngblood (excused), Kevin Nicholson, Floyd Rogalski and Fred Benjamin. Superintendent: Julie Petersen (excused); Treasurer: Scott Olander; Ancillary Operations: Rhonda Holden (excused); EMS Manager: Geoff Scherer and Facilities: Ron Urlacher

### **Approval of Agenda:**

Action: A motion to approve the amended agenda was made by Commissioner Nicholson and seconded by Commissioner Benjamin. Motion carried.

### **Approval of Minutes:**

Action: A motion to approve the minutes of the June 21, 2021 Regular Meeting was made by Commissioner Vatheuer and seconded by Commissioner Nicholson. Motion carried.

### **Public Comments/Announcements/Correspondence:**

None.

### **Operations Report:**

The Commissioners reviewed the written operations report and operating statistics for June 2021. There were 75 transports in June, 8 transports greater than budget. YTD transports are 10 transports below budget. Geoff reported that all of the ambulances required repair work during the month. There are on-going problems with the air conditioners with ambulance number 5 and 6. Braun acknowledged that the air conditioners setup for these ambulances was poorly designed so Braun may complete a portion of these repairs without charging the District. Ambulance 7's alternator bearing went out and was repaired. Ambulance 8 is in Wenatchee waiting for parts that are on back order. Geoff asked the Commissioners to give Julie permission to sign a contract with Fire District 3 to provide backup EMTs and drivers for the District. This is a similar arrangement that the District has with City of Cle Elum. An action is not necessary because contracting is within the Superintendent's scope of responsibilities.

### **Superintendent's Report:**

Julie was on vacation so there was no superintendent's report.

### **Ancillary Report:**

The Commissioners reviewed the written ancillary report.

### **Finance Report:**

The financial statements for June 2021 were reviewed by the Commissioners. The review included a review of actual versus budgeted revenue and expense variances. June transports of 75 exceeded budget by 8 transports. YTD transports of 392 are 10 transports below the YTD transport budget. June contractual adjustments exceeded budget by \$1,830 but are \$71,928 below budget YTD. June expenses were below budget by \$11,859. YTD total expenses are \$61,099 below budget. The District reported a positive Net Income of \$24,652 for June compared to budgeted Net Income of \$4,268; a positive variance of \$20,384. YTD Net Income is \$84,364 compared to the budget of \$19,740; a positive variance of \$64,625.

Action: A motion to approve the checks for June was made by Commissioner Benjamin and seconded by Commissioner Nicholson. Motion carried.

The Independent Auditor's Report for 2020 and Independent Audit Report on Internal Control Over Financial Reporting and On Compliance in Accordance with Governmental Auditing Standards for 2020 prepared by Dingus, Zarecor and Associates were reviewed by the Commissioners. The District received an unqualified opinions which are the best possible opinions.

Action: A motion to accept the 2020 Audit Reports was made by Commissioner Vatheuer and seconded by Commissioner Nicholson. Motion carried.

### **Ambulance Station:**

Ron advised that construction of the ambulance station continues. The contractor is approximately 8 days behind schedule of the revised completion date of October 20, 2021. The residential water line that was discovered has been moved. The location of the water line was not known by the city or KDA so the cost of the move will be absorbed by the project contingency. The sudden sharp increase in lumber was not within the control of the contractor so this increase will also be absorbed by the project contingency.

### **Executive Session:**

The Commissioners went into executive session at 7:19 pm to discuss personnel issues. RCW 42.30.110 (g).

At 7:30 p.m., the meeting was reconvened into open session.

### **Announcements:**

The next regular meeting date: August 16, 2021 at KVH Family Medicine, Cle Elum.

### **Adjournment:**

There being no further business following the executive session the regular meeting was adjourned at 7:31 pm by Commissioner Rogalski.

## BOARD MEETING MINUTES

---

Meeting Date: Monday: August 16, 2021  
Minutes of: Regular Meeting of the Board of Commissioners  
Meeting Place: KVH Family Medicine Clinic, Cle Elum, WA  
Minutes Submitted By: Scott Olander, Treasurer

### **Call to Order:**

Regular Meeting: Call to order made by Commissioner Rogalski at 6:30 p.m.

### **Introductions:**

Commissioners: Hartwig Vatheuer (absent), Carrie Youngblood (absent), Kevin Nicholson (excused), Floyd Rogalski and Fred Benjamin. Superintendent: Julie Petersen; Treasurer: Scott Olander; Ancillary Operations: Rhonda Holden; EMS Manager: Geoff Scherer (excused); Grant Writer, Mitchell Rhodes (via telephone) and Facilities: Ron Urlacher

### **Approval of Agenda:**

The meeting did not have a quorum.

### **Approval of Minutes:**

The meeting did not have a quorum.

### **Public Comments/Announcements/Correspondence:**

None.

### **Operations Report:**

The Commissioners reviewed the written operations report and operating statistics for July 2021. July operations were very busy. There were 86 transports in July, 17 transports greater than the monthly budget. YTD transports of 478 transports exceed budgeted transports by 7 transports.

### **Superintendent's Report:**

The Commissioners reviewed and discussed the written Superintendent's report. Julie reported that the Governor's vaccination mandate means employees will need to be vaccinated by October 4, 2021 in order to have continuing employment with the District. Employees who tested positive for Covid-19 will also need to be vaccinated. Employees requesting a religious or medical accommodation must meet with Human Resources in order to be considered for an accommodation. Julie reported that Human Resources

does not know the vaccination status of 160 HD1 employees. The vaccination mandate applies to all state employees.

**Ancillary Report:**

The Commissioners reviewed the written ancillary report. In addition to the report, Rhonda provided a letter from the City of Cle Elum regarding the 47 Degrees North Notice of Application.

**Finance Report:**

The financial statements for July 2021 were reviewed by the Commissioners. The review included a review of actual versus budgeted revenue and expense variances. July transports of 86 exceeded budget by 17 transports. YTD transports of 478 exceeds the YTD transport budget by 7 transports. July contractual adjustments exceeded budget by \$45,560 but are \$26,368 below budget YTD. The contractual adjustment expense for July included a \$33,000 cost report adjustment for the 2020 cost report. July expenses were below budget by \$9,002. YTD total expenses are \$70,101 below budget. The District reported a positive Net Income of \$2,585 for July compared to budgeted Net Income of \$3,208; a negative variance of \$623. YTD Net Income is \$86,949 compared to the budget of \$22,948; a positive variance of \$64,001.

Scott provided a YTD report through June 2021 for Cle Elum Family Medicine, Cle Elum Physical Therapy and Cle Elum Urgent Care.

Mitchell Rhodes provided a verbal report about the process of receiving the grant funds approved by the legislature. HD2 is approximately 6 weeks away from completing the documentation necessary for the District to receive funds approved by the legislature.

**Ambulance Station:**

Ron advised that construction of the ambulance station continues. The contractor is approximately 8 days behind schedule of the revised completion date of October 20, 2021.

**Executive Session:**

The Commissioners went into executive session for approximately 5 minutes at 7:17 pm to discuss personnel issues. At 7:19 pm the executive session concluded and the meeting reconvened into open session.

**Announcements:**

The next regular meeting date: September 20, 2021 at KVH Family Medicine, Cle Elum. There being no further business the regular meeting was adjourned at 7:20 pm by Commissioner Rogalski.

### PERSONNEL

I have one Medic out with an on-the-job injury until at least Jan. 1, I have hired a medic to fill that spot. We received 3 paramedic applications and 8 EMT applications this month. I will conduct a test and interview process mid-September. The hope is to augment our part time staff to help cover call back, sick and vacation time. We currently only have 2 part time medics and 2 part time EMT's.

### APPARATUS

Medic 8 came back from Wenatchee and was in service until the liquid suspension broke. I took medic 6 to Braun for A/C work and was able to pickup the suspension parts for Medic 8, both units will be back in service for Labor Day Weekend. Medic Units 5 and 7 are running well.

## **SUPERINTENDENT'S REPORT – Julie Petersen**

**September 2021**

### **COVID-19 Surge Planning**

Inpatient beds at KVH, both acute and CCU, have been essentially full for the last several weeks. Hour by hour, as a patient is discharged another, waiting in the ED or requiring transfer from another community, is identified for admission. Staff, clinical and support, are the limiting factor at this time. Transmission of COVID in the community is exceptionally high and our staff, like teachers, students, retail workers and the general public, are susceptible to exposure and quarantine. Many COVID patients require extended lengths of stay (weeks) so as we continue to admit these patients our elasticity decreases.

Yesterday we made the difficult decision to suspend scheduled surgeries for four weeks beginning September 20<sup>th</sup>. As always the surgeons will identify patients who will be harmed by a delay and those surgeries will proceed. We will also, of course, be available for emergency surgeries.

Suspension of scheduled surgeries is also part of our surge plan for the Emergency Department. Unlike the inpatient units, the Emergency Department also runs into space issues during surge. We will relocate patients to the outpatient surgery department, at which point we do have a staffing issue. In this event, KVH Urgent Care in Cle Elum may become part of the solution. The providers at Urgent Care are also Emergency Department providers so we may make the decision to suspend urgent care services in Upper County. KVH Family Medicine Cle Elum is working on a contingency plan to ensure services are available seven days a week for same day appointments.

### **Vaccine Mandate**

We are working through the requirements of the Governor's proclamation 20-14 with Medic1 staff. While we are not required to negotiate the mandate itself, we are required, and it is also best practice, to meet with the Union to negotiate issues around implementation. Issues like accommodations and termination. I believe we have the terms of an MOU with IAFF 4880 and hopefully it will be in place very soon. Geoff has been working diligently with them to make sure that all of our staff meet the conditions for employment in accordance with the mandate.

## Ancillary Services report to Hospital District #2 Board of Commissioners September 2021

### **Ancillary Service Operation Report:**

#### **47 Degrees North:**

At the end of their public comment period on September 9, the City of Cle Elum reportedly received over 500 letters of opposition to the 47 Degrees North project. The City has determined that the planning commission will not be issuing recommendations on the project, but will utilize a hearing examiner. Citizens have banded together to form the Kittitas County Unincorporated Area Council (KCUAC) and have hired land use attorney James Carmody to represent their interests. You can learn more about this initiative and view letters of opposition to the project written by Mr. Comody, the Kittitas County Commissioners, Roslyn Mayor and others, as well as find other details of the movement at <http://stop47degreesnorth.com/>.

#### **STEER I-90:**

I have been asked to join the stakeholders meetings of this project to provide a voice on the impact of traffic congestion along the I-90 corridor between Easton and Cle Elum. This group is targeting funds for traffic improvement to reduce congestion, improve safety, reduce conflicts with wildlife, support mass evacuation, and support movement of freight along I-90. You can learn more about this project at <https://steeri90.com>.

#### **Cle Elum PT:**

With the FMC PT Clinic exceeding capacity, we are once again looking for space to utilize for therapy services in Upper County. We are unable to add staff to this essential service as the clinic is utilizing available space for specialty services.

#### **Covid-19:**

We are experiencing high testing volumes at the Ellensburg Covid-19 testing clinic and high patient volumes in the hospital, ED and urgent care. Public Health has recommended that folks attending the Kittitas County Fair or other large events be tested for Covid-19. For that reason, we've opened FMC for testing on the weekends, effective 9/11, hoping to keep the volume of folks wanting testing out of the urgent care. We've been testing 10-13 patients per day on the weekends.

Respectfully submitted by Rhonda Holden, MSN, CENP

## Station 99 report to Hospital District #2 Board of Commissioners September 2021

### **Construction Restart:**

The Project Schedule is tracking at one to two weeks past projection.

### **Work Progress:**

Asphalting is complete, exterior painting underway, landscape scheduled to start this week, interior painting scheduled this week.

### **Pending RFI:**

None

### **Pending COP:**

TW Clark has submitted 3 options for the error in the vent pipe location. See below.

#### **Option 1: Install snow diverters**

**Cost:** \$N/A

**Durability:** Engineered specific to regions snow load, high durability with system proposed

**Warranty:** Extended 5 year warranty beyond basic 1 year

**Description:** Vent pipes would remain in current location as-installed, ABS vent piping would be replaced with cast iron thru the roof for added shear resistance and braced within the truss space below. Custom snow diverters designed for Cle Elum loads would be fabricated and installed on the roof above the vent pipes and would "split" the snow shedding around the pipes. Snow diverter information attached as Option 1 document.

#### **Option 2: Move vents to east sidewall, patch/replace roof holes**

**Cost:** \$11,900+/-

**Durability:** Eliminates snow loading at roof entirely

**Warranty:** Standard roofing warranty remains in effect

**Description:** Vent pipes would be removed from roof and installed out of the high east sidewalls in locations shown on the attached Option 2 document. Remaining roof holes cannot be patched and retain the warranty by the roofing manufacturer, so roof panels would be removed and replaced with special "ribbing" tool and work done by roof manufacturer Taylor Metals. With panels replaced with new, roofing warranty remains in effect.

#### **Option 3: Move vents to east sidewall, cut & cap existing roof vents**

**Cost:** \$N/A

**Durability:** Nearly eliminates snow load issue at roof with double protection measures

**Warranty:** Standard roofing warranty remains in effect

Please see next page for project cost summary to date.

# CDC recommends everyone 12 years & older should get a COVID-19 vaccination to help protect against COVID-19.

Widespread vaccination is a critical tool to help stop the pandemic. People who are fully vaccinated can resume activities that they did prior to the pandemic. Children 12 years and older are able to get the Pfizer-BioNTech COVID-19 Vaccine.

## Get a COVID-19 vaccine for your child as soon as you can.

COVID-19 vaccines are safe and effective.

COVID-19 vaccines have been used under the most intensive safety monitoring in U.S. history, which includes studies in adolescents.

Your child will need a second shot of the Pfizer-BioNTech COVID-19 Vaccine three weeks after their first shot.

Your child can't get COVID-19 from any COVID-19 vaccine, including the Pfizer-BioNTech vaccine.

Your child may get a COVID-19 vaccine and other vaccines at the same visit or without waiting 14 days between vaccines.

## Prepare for your child's vaccination visit.

Talk to your child before the visit about what to expect.

Tell the doctor or nurse about any allergies your child may have.

Comfort your child during the appointment.

To prevent fainting and injuries related to fainting, your child should be seated or lying down during vaccination and for 15 minutes after the vaccine is given.

After your child's COVID-19 vaccination, you will be asked to stay for 15–30 minutes so your child can be observed in case they have a severe allergic reaction and need immediate treatment.
