

HOSPITAL DISTRICT #2

Strategic Plan 2022

UPPER KITTITAS COUNTY

MEDIC ONE

Public Hospital

Hospital District 1 (KVH) and Hospital District 2

1. Financial Sustainability

Maintain access to capital and a strong balance sheet

2. Workforce

Recruit & retain a diverse high quality workforce to meet the needs of the community

District No 2

Working together to care for Kittitas County

3. Community Engagement

Develop a brand identity to engage the community in the services we provide

4. Access

Influence decisions related to growth in the community to ensure services are sustainable

We provide ambulance services to Upper Kittitas County residents through Upper Kittitas County Medic One. We also support a small amount of the care provided at KVH Urgent Care – Cle Elum and the Open Door Medical Clinic (a free clinic that is open two Saturdays per month). The funds that support us come primarily from property taxes paid by Upper County property owners. The board that manages these funds is publicly elected.
